Hazardous Waste Operations (HAZWOPER) Trained and Qualified Trainer for:

- 29 CFR 1910.120(e) cleanup and remediation work
- 29 CFR 1910.120(p) hazardous waste facilities
- 29 CFR 1910.120(q) emergency response

Experience

Recovery Risk has deep roots in hazardous waste management, emergency response, and cleanup combined with decades of managing financial liabilities from environmental conditions. In the past year we have combined subject matter expertise with top-notch communications to create certificate and training programs and provide strategic planning services to professional associations and private industry.
